## PVC (polyvinyl chloride) statement

There is no PVC content in any of our products.

Declaration:

Supertuft declares that the product performance specific criteria of the Best Practice Guideline for PVC have been met for our products.

If our product is specified and ordered for a substantial project we shall request an independent audit if required by: "either an accredited auditor registered by RABQSA (or equivalent) , or a JAS-ANZ (or equivalent) accredited certification body."

We shall then provide their report as evidence of our compliance.

## Felt statement

No felt is used in any of our products.
